

# Blackberry OS 10: Setup (IMAP)

This article will assist you in setting up your Blackberry OS 10 device with your Hosted Email mailbox.

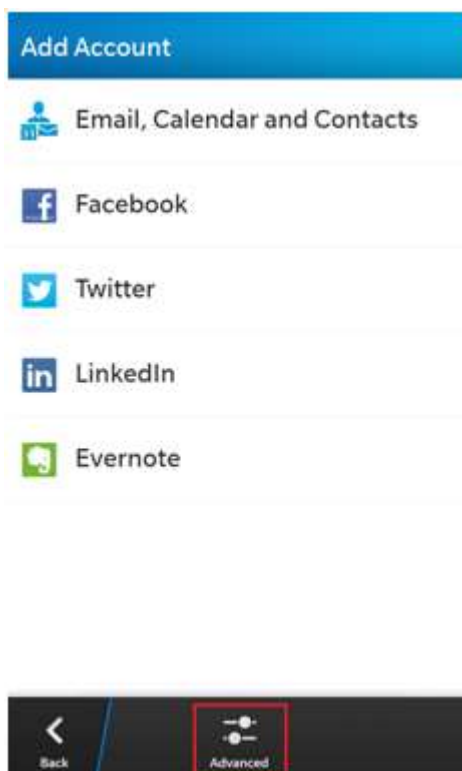

1. From the home menu, select the "Settings" icon.

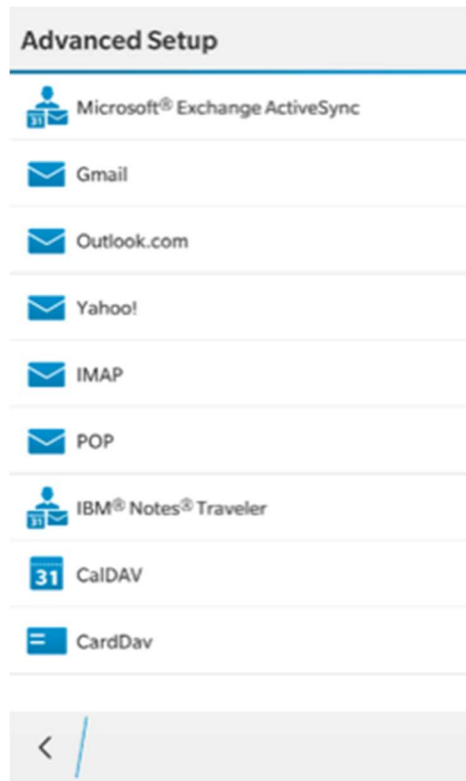

2. Select "Accounts".

3. Select "Advanced".

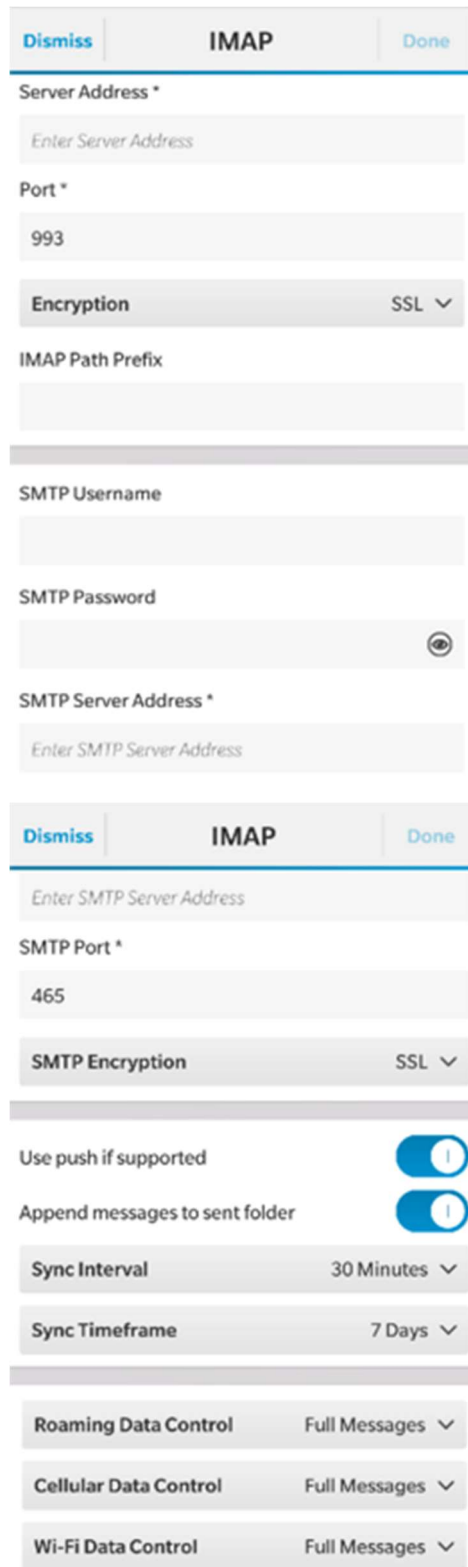

4. Select "IMAP".

5. Enter the following details:

- a. **"Description"**: Hosted Email Mailbox
- b. **"Your Name"**: Your name
- c. **"Username"**: your\_email\_here@uplogon.com
- d. **"Email Address"**: your\_email\_here@uplogon.com
- e. **"Password"**: Your mailbox password
- f. **"Server Address"**: secure.emailsrvr.com
- g. **"Port"**: 993
- h. **"IMAP Path Prefix"**: /
- i. **"SMTP Username"**: your\_email\_here@uplogon.com
- j. **"SMTP Password"**: Your mailbox password
- k. **"SMTP Server Address"**: secure.emailsrvr.com
- l. **"SMTP Port"**: 465
- m. **"SMTP Encryption"**: SSL

A screenshot of the 'IMAP' setup screen. The screen has a light gray header with 'Dismiss' on the left, 'IMAP' in the center, and 'Done' on the right. Below the header is a small text '\* Required Fields'. The screen contains several input fields: 'Description' (empty), 'Your Name' (empty), 'Username \*' (with placeholder text 'Enter Username'), 'Email Address \*' (with placeholder text 'Enter Email Address'), 'Password \*' (with placeholder text 'Enter Password' and a toggle icon), and 'Server Address \*' (empty). The fields are separated by horizontal lines.
